FALCON CLUB News!

Thank you to those families that are signed up for

Athletic Physical and Concussion Testing Day

Saturday, August 10

8AM - NOON

VPA Gymnasium

Registration is now closed. Please make sure you have paid and filled out your forms ahead of time to make the best use of everyone's time!

Use the MSA/Toolkit App or click here to pay for the physical.

Scholarships for concussion testing are available by request on an as-needed basis. Please contact Kayla Walsh (kwalsh@veritasprepacademy.org) to request financial assistance. *Thank you to Falcon Club Founding Member, Barrow Neurological Foundation Board Member and Veritas mom, Shannon Mishkin, for making scholarships possible!*

WHAT TIME SLOT DID I SIGN UP FOR?

Check or change your concussion testing sign ups here.

Sports physicals will be done on a walk-in, first-come, first-served basis. Be prepared to wait. No physicals will be available after the completion of the 11am concussion testing. Event closes promptly at 12- no exceptions. We will do our best to move everyone through the line as efficiently as possible.

Other Important things to know about this event:

- First 3 pages of the sports physical form (medical history) must be filled out prior to entrance
- Boys need a parent or another adult to accompany them in the 'hernia check' area
- Kids need to wear comfortable loose clothing
- If you are signed up for the 11am concussion testing and also want a physical, you must come early to get in line for Physical first. There will be no late admittance to concussion testing sessions.
- Please enter through Archway front door and check in
- Save time, money and hassle by getting your student athlete's official sports paperwork done & turned in to Veritas Athletics the same day!
