Veritas Students Earn Honors at National Shakespeare Competition

This past weekend, senior Alex Weisskopf took first place in the Quarter Finals of the English-Speaking Union's National Shakespeare Competition!

Alex performed a monologue from *The Winter's Tale* and Sonnet 18, competing against schools all over the Valley. She will now be representing the state of Arizona to compete against the best in our nation in NYC in late April--at the Lincoln Center!

In addition, four of our middle schoolers and two of our high schoolers also performed extraordinarily well in their divisions: Eva Lindsay, Avery Mathis, Audrey Bitikofer, Elvie Eaton, Trinity Lindsay, and Ava Williamson. Congratulations to these hard-working and talented students and their teachers, Mrs. Lindsay and Ms. Vogel!

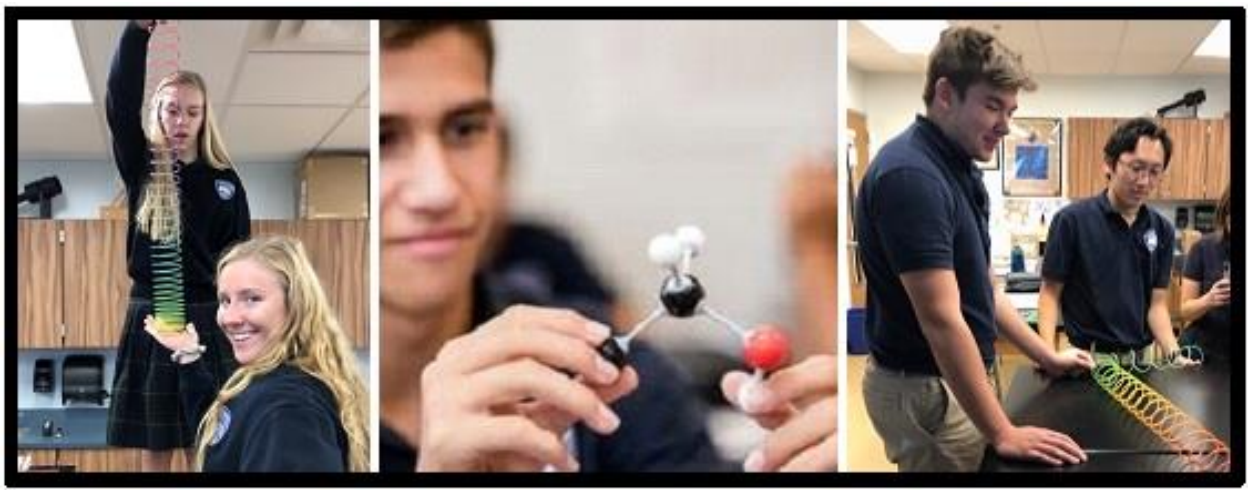
Science at Veritas



Beginning with Physical Science in 6th grade and progressing through Life Science, Biology, Chemistry, and finishing with Physics II allows our students to develop a passion for the sciences. Teaching Science through the Socratic Method teaches our students to experiment with the unknown and to become critical thinkers.

Because of our generous supporters to our Community Investment campaign, we are able to provide a rich science program here at Veritas Prep, where 40% of our graduates continue with STEM based majors in college.

Thank you to our new donors since January 9, 2019:

Big Brothers Big Sisters of Central Arizona

Mr. Timothy Brotherton and Mrs. Bonnie Morgan

Mr. and Mrs. Eric Sredzinski

Mr. and Mrs. Richard Tatham

Ms. Karrin Taylor
