TOP FACILITATION METHODS

LEARN AND PRACTICE THREE METHODS THAT WILL STRENGTHEN YOUR ABILITY TO FACILITATE ENGAGEMENT, CREATIVITY, TEAMWORK, AND ACTION IN THIS 2-DAY TOP WORKSHOP

The Focused Conversation Method

This method guides groups through a meaningful exchange of ideas to reach shared awareness. Use this method to:

- Stimulate candid feedback
- Conduct purposeful discussions
- Surface new ideas and solutions
- Quickly and easily capture a group's best thinking

The Consensus Workshop Method

This method is used to engage and energize people toward common goals and shared agreement. Use this method to:

- Integrate diverse ideas
- Develop a shared vision and process
- Generate practical and creative solutions
- Tap rational and intuitive thought processes

The Action Planning Process

This process helps groups plan, organize resources and build commitment. Use this method to:

- Analyze the current reality
- Maximize group involvement
- Visualize inspiring, successful results
- Create a practical plan with timelines and measure
