Dual Enrollment for French and Spanish

Dear Student and Parents,

This year's juniors and seniors in French and Spanish will have the opportunity to participate in a Dual Enrollment program, which will allow them to earn college credit for their high school language classes. Veritas Prep is entering into partnership with Rio Salado college for this program. Students who are interested will apply for admission to Rio Salado. They will then register for the Dual Enrollment language course – and successful completion of their Veritas semester will earn them 4 credits in the language with Rio Salado!

Our juniors will be able to enroll in French/Spanish 101 and 102 (one each semester) and the seniors in French/Spanish 201 and 202. The cost will be about $360 per semester.

More information is available at the website below. There is also a link to apply for need-based financial assistance. (Apply **now** to the scholarship program if you think you might register for Dual Enrollment! The monies are awarded on a first come, first served basis.)
