PARENT VOLUNTEERS:

We have a need for parents, both male and female, of freshmen who are willing to attend the retreat with their child. If you are willing to consider being a chaperone please reach out to Ms. Monroe for more information.

We want every student to be able to attend this special experience; thus, for those families that find themselves in need of financial assistance, scholarships will be made available. Applications for financial assistance are available on request.

Please visit veritasprep.org/academy-life/freshman-retreat/ for more information. You may contact Ms. Monroe (kmonroe@veritasprepacademy.org) with any questions or concerns.
