August 2, 1990 - The Iraqi army invaded Kuwait amid claims that Kuwait threatened Iraq's economic existence by overproducing oil and driving prices down on the world market. An Iraqi military government was then installed in Kuwait which was annexed by Iraq on the claim that Kuwait was historically part of Iraq. This resulted in Desert Shield, the massive Allied military buildup, and later the 100-hour war against Iraq, Desert Storm.

August 3, 1492 - Christopher Columbus set sail from Palos, Spain, with three ships, Nina, Pinta and Santa Maria. Seeking a westerly route to the Far East, he instead landed on October 12th in the Bahamas, thinking it was an outlying Japanese island.

Nixon had appeared on television the night before and announced his decision to the American people. Facing possible impeachment by Congress, he became the only U.S. President ever to resign.

August 15, 1969 - Woodstock began in a field near Yasgur's Farm at Bethel, New York. The three-day concert featured 24 rock bands and drew a crowd of more than 300,000 young people. The event came to symbolize the counter-culture movement of the 1960's.
