Officers will proactively enforce fireworks violations and other nuisance issues such as:

- Fireworks Possession

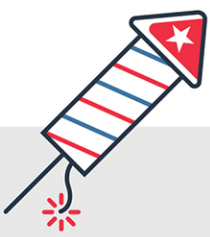
- Disorderly Conduct

DISCHARGING

DON'T LIGHT 'EM, SO WE WON'T WRITE 'EM

Violators can be issued compliance tickets for fireworks violations and face a $100 fine - or more!



DISPLAYING

FIREWORKS CAN DO MORE DAMAGE THAN YOU THINK

- Fireworks cost hundreds of dollars for using or possessing them, and if they cause property damage, you'll pay even more.
- Fireworks can also cause serious injury to pets. Dogs, cats, and horses can be scared by fireworks, causing them to panic and escape, get lost, or even run into the street resulting in vehicle crashes and injuries.

SAFETY FIRST!

Together, we can all enjoy a safe holiday!
