Dear Chief DeKing,
My Name is Alan Gentile and I'm a Lieutenant/Paramedic for the Natick Fire Department. On the morning of 12/5/25 we were dispatched to a call for a male down outside precision graphics here in Natick. Upon our arrival we found the male party lying on the steps being attended to by one of your members, Meg McGinn. Ms Mcginn didn't hesitate to begin assessment and activate 911. We want to express our thanks for her help as well as say how impressed we were. As you are probably aware it was very cold this morning and the fact that she did such a thorough assessment was very impressive. Her report to us was no less than perfect and because of her efforts and accurate assessment we were able to move the party out of the cold weather quicker than we would have been able to if we didn't have all the information provided to us by Ms Mcginn. So please extend our heartfelt gratitude to Ms Mcginn.

Thank you for your time. Hope you have a wonderful and safe holiday season.

Alan Gentile
