MEDFIELD CARES ABOUT PREVENTION

AN ANIMATION BY LINA GATTI

THURSDAY, MAY 29TH

3:00 - 5:00 PM

Medfield TV (18 N Meadows Rd)

Presentation begins at 3:15 followed by a live animation demonstration!

Light refreshments provided!

Registration highly encouraged

Join us as Lina Gatti, a Medfield Cares About Prevention (MCAP) intern, premieres the first public showing of her animated video on risks associated with youth marijuana use! Lina will also present about her process and research findings. Finally, she'll conduct a live demonstration on how she brings her drawings to life through animation.
