2018 Enterprise Zone Donations and Tax Benefits

Donate to IECRM and Receive a 25% Tax Credit

Dear IECRM Member:

Colorado's Enterprise Zone Program provides tax incentives to *encourage job creation and capital investment* in economically depressed areas of the state. Our facility at 11429 Pearl Street in Northglenn is located in one of Colorado's zones.

Donations made through the Enterprise Zone program provides your company with a *direct state income tax deduction* and enables IECRM to make resource investments in the organization including outreach, programs and services to members and apprentices to build our workforce and address the shortage of skilled trades in the electrical industry.

Enterprise Zone donations can be made via check payable to IECRM. If you have any questions about the Enterprise Zone program, please contact me:

All the best in the upcoming new year!
