A Message to the Community
from MEMO's Discover Medfield Day Chair, Russ Hallisey...

MEMO's Discover Medfield Day for 2025 is just around the corner on Saturday, Sept. 27 from 10 a.m. to 4 p.m.

Important points for this year:

- Most Exhibitor Booths will be held in the same location as usual -- behind First Parish Church, around Meetinghouse Pond on North & Frairy Streets and Upham Road, and in the 50 North Street parking lot.

- With renovations to Montrose School parking lots, Kids' Alley rides are moving to Janes Avenue parking lot & Town House parking lot. Exhibitor booths that had been in the Montrose lots are now moving to Janes Avenue.

- There will be no parking available for exhibitors or the public in the Montrose School lots, the Janes Avenue lot or on Jane Avenue, or in the Town House lot.

- Janes Avenue, North Street, Frairy Street, and Upham Road will all be closed to traffic early Saturday morning and will reopen at approximately 5 p.m.

- Exhibitor booths are sold out and we're developing a waitlist for cancellations. To register for the waitlist go to: www.medfieldmemo.org/medfield-day.

- We have volunteer opportunities available for selling ride tickets in Kids' Alley and help for set-up during the week. Check out the opportunities and sign up at: www.signupgenius.com/go/10C0549ACAE23A3FB6-57982656-memo#/

- We have sponsorship opportunities available for campus signage, Kids' Alley ride signs, and entertainment stage signage. Call Russ Hallisey at 508-733-9995 for more information.

- We're building our auction and raffle items for the MEMO Booth. If you'd like to donate items, call Katie Duval, Medfield TV at 508-359-8888. All auction/raffle proceeds fund MEMO's annual scholarships to Medfield High School and Tri-County Regional Technical High School graduates.
