We are pleased to announce that on Monday, March 20, 2023, Medfield Cares About Prevention is sponsoring a virtual parent program featuring Stephen Hill, a renowned national speaker on substance use prevention, mental health, and resilience.

Stephen has a truly inspiring comeback story that everyone must hear. He is the founder of Speak Sobriety, a young person in recovery, bestselling author, recovery coach, and an attorney. He has presented in front of thousands of people for over 500 schools and coalitions across the country.

Through knowledge gained from his own personal and professional experience, Stephen shows parents how to build resilient kids to make healthy choices and overcome adversity.

Stephen will also be speaking with the juniors and seniors at Medfield High School on Monday, March 13, 2023.

This event is free and open to the public, but registration is required. CLICK HERE to register and you will be emailed a link to join the program. We hope to see you there!
