Dear Medfield Families,

Yesterday afternoon, the District inadvertently sent out our internal bus lists rather than the filtered versions that are typically shared with families. Although we immediately attempted to recall the message, we were unable to do so because it was sent through our Student Information System (SIS) rather than Google. Please know that we have already taken corrective steps internally to ensure this does not happen again.

We sincerely apologize for this error and any confusion it may have caused.

Sincerely,
Jeff Marsden
