Hi Mike,

I am planning to pull nomination papers to explore a Select Board run tomorrow at the Town House. Effective immediately, I resign from my position on the Warrant Committee. I've been honored to serve on Medfield's Warrant Committee and have been very impressed with the professionalism, integrity, and effort that the Committee has shown week in and week out. Should my Select Board candidacy not succeed, I would once again be honored to be considered for re-appointment to the Committee. I'll understand if you choose to go in a different direction, of course. While a difficult decision, resigning will allow me to articulate important points I think we should consider as a community. That would be very difficult or impossible for me to do concurrently as an impartial Warrant Committee member. I think this is the best route. Please let me know if there are docs to sign or if this email is sufficient.

Thanks very much,

-pete
