2013

+739 MORE CALLS ANNUALLY

LONG-TERM TREND

2013 **949** CALLS → 2025

+739 MORE CALLS ANNUALLY

"Medfield continues to see growing demand for emergency services. With full staffing and the ability to operate a second ambulance, MFD Is better positioned than ever to meet our community's needs."

(The total number of EMS incidents may not always match the exact sum of ALS and BLS transports often due to motor vehicle accidents or other incidents involving multiple patients where one EMS call results in several transports.)
