Dear Medfield Residents,

We wanted to take a moment to share some bittersweet news with you—Jacqui Conley, who has been a vital part of Medfield Parks and Recreation for the past five years, is moving on to an exciting new chapter in her career.

Jacqui has played a key role in creating and running so many of the programs and summer camps your children have enjoyed over the years. From fun-filled summer days to thoughtful community events, her creativity, care, and commitment have made a lasting impact on our department and, most importantly, on the families and residents we serve

We know many of you have wonderful memories from programs that Jacqui helped bring to life, and we're so grateful for the joy and energy she brought to everything she did. She will be greatly missed by our staff and the entire Medfield community.

Please join us in wishing Jacqui all the best in her next adventure. Her time here has made a difference, and we are incredibly thankful for all she's given to Medfield Parks and Recreation.

If you wish to send her well wishes or a quick memory please send her an email jconley@medfield.net Her last day with us will be Thursday, July 3rd.

With appreciation,

Medfield Parks and Recreation
