Dear Students,

I am writing to inform you of a concerning incident at school. We discovered racially insensitive words written in several of the boys' bathrooms on Friday morning.

This behavior is unacceptable and will not be tolerated. We are reviewing hallway camera footage and class sign-out data to identify who may be responsible. If you have any information that could assist in our investigation, please contact me or Mrs. Hagan.

The actions of one individual do not reflect the character of our entire student body. However, these actions directly contradict our core values of Inclusivity, Respect, Responsibility, and Continuous Growth.

I hope you share our disappointment in this behavior and will encourage your classmates to make choices that uphold our school's values. We are a community and must work together to ensure that our school is a safe and welcoming environment for everyone.

Thank you for your attention to this important matter.

Robert Parga - Principal, Medfield HS
