Tlingit & Haida Head Start is a free federal program for preschool children from low-income families that promotes school readiness by enhancing their cognitive, social and emotional development. Children who attend Head Start participate in a variety of educational activities that support children's growth in language, literacy, mathematics, science, creative arts, and physical skills. Program services include nutritional meals, access to medical and dental health services, as well as mental health and disabilities services. Family development services include parent involvement, goal setting and family visits.
