Tsunami *Preparedness* Workshop

For Eureka Businesses

Be Aware & Prepare

If you are a **Eureka business in the Tsunami Zone**, we welcome you to join us to get Tsunami prepared! This is an opportunity to reserve a 45 min spot with an expert to create a custom preparedness plan for your business.

Are You in the Zone?

Scan the QR Code or visit www.rctwg.humboldt.edu to identify what zone your business is in. This workshop is intended for those identified in the Tsunami Zone.

What to Expect

- **1-1 Planning Support: 45 min**
  Sit down with an expert to develop a step-by-step tsunami preparedness plan specific to your business operations.
- **Resources for Your Team**
  Leave with ready-to-use information you can post in your business so employees know exactly what to do in the event of a tsunami.
- **Informational Booths**
  Connect with local partners and gather tools, checklists, and guidance to support your preparedness efforts.
