PURPOSE STATEMENT:

The purpose of this High Desert Mental Health Summit is to convene and create a community of key stakeholders, advocates, service providers, and leaders who are catalyst for change. The aim is to work together on collective actions to address the challenges, enhance existing services and programs, and explore opportunities.

SUMMIT OBJECTIVES: By the end of this Summit, participants will be able to:

1. Examine current county and local data on mental/behavioral health in the High Desert and San Bernardino County.
2. Provide a foundation for the understanding of Brain Health.
3. Create awareness of the stigma of mental illness.
4. Provide opportunity for networking and collaboration for local stakeholders in the High Desert.

TARGET AUDIENCE:

Mental Health Professionals and Service Providers; Healthcare Providers/Hospital Caregivers, Community Leaders & Advocates; Faith Community Leaders; School/Colleges/University administrators, faculty, and counselors; Law Enforcement and Probation;

PROGRAM SPONSORS: Inland Empire Health Plan, San Bernardino County Department of Behavioral Health, St. John of God Healthcare Services, Choice Medical, Providence St Joseph Health
