BASIC INSTRUCTOR DEVELOPMENT TRAINING COURSE

Manchester CT Police Department, November 5-9, 2018

This training program is an approved "Methods of Instruction" course qualifying graduates to apply for POST instructor certification at the "standard" level. Enrollment is limited to 30 officers. Applicants must have at least **three years** of satisfactory experience as a law enforcement officer as a pre-requisite for this course.

In order to receive a course certificate, students will be required to demonstrate effective training skills during a ten-minute presentation. Enrolled students should **plan a training topic prior to class** and expect to construct a lesson plan and teach that topic. Students will be completing both *oral and written presentations* during this training program.

All students must successfully complete all work assignments, including homework, and all other components of this training program within the time period allowed. **Students are expected to be punctual for all class meeting times and assignments.**

Computers are essential to the effective completion/participation within this course. **Students are required to bring their own laptop or department issued laptop.** The laptops should be equipped with Microsoft Office capabilities (MS Word and MS Power-Point).

This Instructor Development course is a prerequisite for registering applicants for the Firearms Instructor Development course.

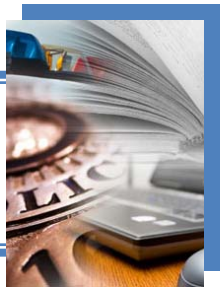
Students who successfully complete the course will receive review training credit as follows: Curriculum Area III: Practical Skills (16) hours; Curriculum Area IV: Human Relations (8) hours.

POST dress requirements will be followed.

The class is limited to a maximum of 30 police officers. Substitution of registrants, once accepted, will not be permitted.

Cost: $475.00 Per Person

Register at: https://www.spectortraining.org/method



Your Trainer:

Detective Brian C. Shea began is his police career in 2003 at the Georgetown Texas Police Department and has been employed with the Wethersfield and New Britain Police Departments since his relocation to Connecticut in 2008. He is currently employed with the New Britain Police Department; as part of his job duties at the NBPD he is a Basic Recruit Academy Instructor and Field Training Officer. Brian is a POSTC certified trainer (#3302) in the areas of Gangs, Narcotics, Motor Vehicle (High / Low Risk Stops) and Crimes in Progress. He is a statewide instructor for the Basic Instructor Development Course (MOI) and an Armed Security Schools Gangs Instructor (annual course). He was also employed as a teacher in the Columbia County School and Hartford Public School Systems from 2006 to 2011. Brian served our country in the United States Navy from 1997 to 2001, achieving the rank of Lieutenant. During his period of service he was awarded the Navy and Marine Corps Achievement Medal and the Armed Forces Expeditionary Medal in Support of Operation Southern Watch. Brian is a Distinguished Military Graduate from Northeastern University where he received his Bachelor of Science in Criminal Justice in June of 1997. He attended Northeastern on an ROTC scholarship. He received his Master of Education, PK-6 in August of 2002 from Marymount University. Brian has attended the DEA Basic Narcotics Investigator Course and has received two "Excellence in Police Duty" awards as well as a Distinguished Service Award.

Students are required to bring a lap-top computer to this class. Students will need to access the laptop throughout the duration of the instructional week to assist in the development of a lesson plan and power point presentation. ***Classes meet Monday through Thursday 8:30 a.m. to 4:30 p.m. and Friday 8:30 a.m. to 2:30 p.m.***

TO SUCCESSFULLY COMPLETE THIS COURSE, YOU WILL BE EXPECTED TO:

Prepare a two-hour lesson plan. Present in, the classroom environment, a ten-minute lesson demonstrating a portion of that developed lesson plan. Students are required to create a new lesson plan that is law enforcement related. Students who have a class scheduled in the near future may prepare a lesson plan for that lesson. Each lesson plan should be at a minimum, twelve (12) type-written pages of required material.

Each lesson plan must include at least five resources (five bibliography references).

Use at least four Instructional Objectives.

Write at least ten (10) criterion test questions.

Create appropriate instructional media to support a lesson. Instructional media may be in the form of color overhead transparencies, film slides, film or video, PowerPoint or Freelance Graphics formatted projections, "flip" charts, or other, similar instructional tools to incorporate with, and support, the lesson plan. Clip artwork is an acceptable support tool. (PowerPoint is the current media standard and instructional time will be devoted to developing the familiarization with this program.)

Turn in your lesson plan on Thursday, November 8, 2018 at 1:00 p.m., even if the actual presentation is not until Friday morning.

Beginning Thursday afternoon, students begin lesson plan presentation.
