Phone Photography of the Forested Landscape

Take great outdoor photographs with your phone for technical documents

Friday, April 16, 2021 12-1:30 PM

Great for those who need to use their outdoor photographs to tell a story in their technical documents

- Forest stewardship plans
- Site inspection reports
- Baseline documentation reports
- Easement monitoring reports
- Timeline photo documentation

Basic ability to use a smartphone camera is recommended for this course

No pre-registration is required for this Zoom meeting (limited to the first 300 participants)
