Methodology for 2028 Accountability Refresh A-F Cut Scores

TEA presented a proposed methodology for setting A-F cut scores for the 2028 Accountability Refresh that is aligned to HB 8. The proposal that sets the top five national performance by 2040 (as measured by NAEP and postsecondary readiness) as the benchmark for excellence. TEA explained that A cut scores for 2028 would be set at the level of performance the state must achieve by 2040, establishing an aspirational bar for top performing campuses.
