Dining for Dollars Plus is in Full Swing!

Last Sunday was the launch of our biggest annual fundraiser, Dining for Dollars PLUS.

Things are going well, with numerous bids being made on the 30 great activities and meals being offered by so many of your friends in the congregation – BUT there are still several days before D4$+ finishes, and there are LOTS of spots still up for bid with most of the events (but just one more spot still in the bidding for Rev. Denis' Equinox Dinner – GO REV!!).

In response to some of the questions that have come in, here's some important information:

- When you go to the auction website at https://fundraiser.bid/diningfordollarsPLUS, select AUCTION at the top of the Homepage to find all events with full descriptions and bidding information.
- When looking at a specific event, even if there are the maximum number of bids for that event showing, this DOES NOT mean that bidding is closed – it just means that you will need to UP YOUR BID by the interval shown.
- Bids for any event only close when someone purchases it at the "BUY IT NOW" price.
- To enter a bid, you must REGISTER. If you took part in D4$+ last year, you are still registered and you only need to SIGN IN.
- Don't forget to scroll through all of the wonderful opportunities – at the end are two great ones – OCEAN SKILLS and ONE-WEEK STAY AT SALT POND, both of which have yet to receive bids.
- Both Trish and Betsy will be in the Oneto Room again this Sunday after service, to answer questions and to offer help if you need it.
- All bidding ENDS promptly at 11:59 pm Sunday evening, June 4.

So… four more days for you to take part in this fun (and quite tasty) fundraiser to help UUCSC continue to flourish. Time to put your bids in, and if you have any questions or need any help at all, contact Trish (evesgma@msn.com ) or Betsy (elizabethmdalton@gmail.com ). Betsy can even enter bids for you or fix any problems with bids. Find your favorites and enjoy the auction!
