Hi all…..

Hoping that you all are well, and will have some time to yourselves or with friends & family to enjoy this upcoming 4th of July weekend. After June's cancelled potluck at my home, (I had covid) and with the small attendance that followed on zoom, it was decided until September, we will have our meetings on zoom. July and August offer unpredictable days for many of us, with the beach calling, visitors from out of town, making our own "get aways", and unknown if able to find volunteers to commit to hosting. Betsy Dalton has already offered her home in Hope Valley for our Sept. 6th pot luck - so mark your calendar! It will be nice to see folks face to face, after this "dry spell".

And again, thank you to all those who continue to support this community of giving through your donations. Every contribution is appreciated and enables us to fulfill our vision and grow. I included a fundraiser on my facebook page for my birthday and received $220! Thanks - and our actual total is close to $42,000!

Looking forward to seeing you….. and hearing what is happening in your world.

Happy 4th!!!
