

# Stonewall Jackson Area Council

## Campmaster Program

### PURPOSE OF THE CAMPMASTER CORPS

The Campmaster Corps has an important part in achieving the camping mission of the Stonewall Jackson Area Council and does this in many ways:

- By acting as the Council/Camp representative to the units for the weekend. Your presence will make a world of difference as to how the scouts and leaders perceive our camp and Council. Please keep in mind each unit has their own identity and should be encouraged to carry out their own program.
- By relieving the Ranger of unit responsibilities for the weekend, freeing he/she for other work, as well as personal time. The Camp Ranger is responsible for the upkeep, maintenance, and proper use of all camp facilities. The support you give to the Ranger will greatly add to the overall effectiveness of the Ranger and the quality camping experience of the units.

### WHAT IS THE CAMPMASTERS CORPS?

Campmasters are:

- A group of registered and trained Scouters who volunteer to serve at our Council camp when units are using it on a short-term basis.
