Those of us who attended our last potluck at the Peacedale Congregational church on Columbia St., learned from Sara Stevens Narone about Rocks, Paper Scissors, for Children in Vietnam. - a grantee applicant. The month of January & February 2024, TWR does not have our usual grantee, but will be supporting 12, as in the past, one for each month. We are going to focus on learning more of our transformational partnerships - this one being with Shared Interest, a previous Featured Grantee and a Transformation Partner who will be sharing the results of their planning grant. This is an exceptional time lapsing on the grantees. We will have 12 for the 2024 year, beginning again in March.

Our format will be as usual, starting promptly at 6 pm, (you're welcome to arrive earlier - easier since it is dark so early to get in to evening event mood) discuss our book group, advocacy, education & travel aspects of TWR, before watching the video program being presented for us.

Since this will be day 2 into 2024, we can make it our own little Happy New Year celebration. I'll be happy to be with you all, or whoever, or how many show up. Be well and enjoy the holiday season, however you do. Best wishes to you all throughout the year - and thanks for your interest in helping and supporting other women - which helps us all.

With all that is going on in the world, we certainly have allot to be thankful for.

Hugs,

Gail
