Hello all…..

Greetings & wanting to give you enough time to mark your calendars for our next potluck, on Tuesday, May 3rd @ 6 pm - 8 pm being hosted by Carolyn Gilligan at 13 Hathaway Lane, in Peacedale. Hathaway Lane is off of # 108, (Kingstown Rd.,) between Kersey Rd. and the rotary in Peace Dale. This will be our monthly gathering, where we will share a dish we bring for our meal, where we recognize YAMBA MALAWI, as our grantee of the month. Should you care to bring a contribution related to Malawi, go to https://togetherwomenrise.org/?unonce=d8fbbdd595&uformid=5079&s=uwpsfsearchtrg&cmf[0][metakey]=country&cmf[0][compare]=1&cmf[0][value]=+Malawi&skeyword=, for local recipes. We welcome all. Our grantee will be receiving $50,000 for the year in **m**eeting the needs of young mothers and ending childhood poverty in Mangochi, Malawi. The impact will be on economic sustainability, education, gender equality and health.

The video & interview with Gertrude, the Director of Yamba Malawi is inspiring, noting the large scope of her abilities. Please watch the video & interview before our potluck - not knowing if we'll be able to share a screen and view it all together. https://togetherwomenrise.org/programs/yamba-malawi/. Currently we are not having a "presenter". This is open for discussion……. Last month, when we had our hybrid set up for either zooming or attending - we had no takers on the zoom call, leaving us with the decision to have only our physical meeting …….. and hope you will attend, without cancellations due to any kind of pandemic in the future.

As always, reference is made to our TogetherWomenRise.org web page, which will tell you more about our up coming bookclub readings, travel programs, how to donate, and advocacy group.

Looking forward to seeing you a week from tomorrow!!!!

in gratitude for all you do & contribute,

Gail - chapter leader - Peacedale, RI
