Together Women Rise

Next month's scheduled meeting for Tuesday, August 3, will be a PICNIC!

Wanting to have more personal time to share with each other, in hopes of bonding for more activities in the future, we decided we'd start out with a picnic, easy access, all can drive to, or make up your own car pools - **at 2 - 4:30 pm ?? at Beavertail State Park, over on Jamestown. All are welcome!!** We will be on the side looking out towards Newport - but parking closer to the Lighthouse. I'm sure with our cell phones we'll be able to find each other. Bring your own picnic goodies, drink and a chair if you want one. (NO RAIN DATE)

We will not have a formal presentation for our August grantee, DREAM, in the Dominican Republic. Instead we can discuss the possibilities of taking a trip to the Dominican Republic in the future to help out at the https://mariposadrfoundation.org/ and also possibly: https://www.dominicandream.org The seeds are being planted and seeing what kind of interest there would be for such a trip in 2022. We would be doing this on our own and this would NOT be a Together Women Rise sponsored trip.

Also we will decide come Sept. shall we continue to meet at the Club House at the Village at Warden's Pond, or shall we return to the UUCSC @ 27 North Rd. in Peace Dale.
