Bring Your Scientific Findings to an Island Paradise—ICTXV Abstract Deadline Is November 30

Ivan Rusyn, MD, PhD

Submit Your Abstract Now!

Abstracts for the IUTOX 15th International Congress of Toxicology (ICTXV) can be submitted through November 30, 2018, via the online submission system.

An exciting slate of 20 scientific symposia and 4 plenary lectures will draw attendees from around the world. Submit your abstract for a poster or short platform presentation and join this exciting global forum sharing a breadth of toxicology issues with a large focus on topics related to global public health research.

The full listing of Symposia and Continuing Education Course topics, along with registration and housing information, can be found on the ICTXV website.

The ICTXV Scientific Program Committee (SPC) will review all submissions that are completed before the November 30, 2018, deadline. Submissions will be accepted under the options of "Poster Only" or "Platform or Poster." All accepted authors must be prepared to present their abstract as a poster if selected for this presentation type. For more information, please carefully review the ICTXV website and submission site while preparing and submitting your abstract.

I look forward to receiving outstanding submissions for consideration in the ICTXV Scientific Program!
