Dear Parents,

The beginning of a new school year is always an exciting time! I am exceedingly pleased to have Ashley Grinstead running our After School Care Program this year. Like myself, I know you are grateful for this service. Please make Ashley feel welcome when you meet her.

I also want to remind everyone that students utilizing ASC will be expected to adhere to the same behavioral rules that are utilized during the school day. First time obedience and mission appropriate language and behavior are all expectations that I am requesting you reinforce with your own student before the new year begins. With this consistent messaging coming from all stakeholders to our students, we may just have the best year ever!

For before school care drop off, Mr. Bame will be in the cafeteria. Please drop your student(s) off at the dismissal door (just before the school entrance door).

For pick up from after school care, parents can park in the front of the building and come to the front door, beep in the main door and go to the PS room (ASC room #A102). We have had some technical difficulties with the new tablet system that are still being worked out as we speak, so here is Mrs. Grinstead's phone number: 540-415-2468 in case you need it.

After school care will begin on Monday. All students need to be picked up by 5:30.

As always, I want to hear from you if you ever have concerns or questions. Thank you for partnering with us!

Blessings,
Cherie Morel
