MEMORIAL GOLF TOURNAMENT

In Memory of Dr. Walter "Gary" Huckaby ("Bee")

BENEFITING THE CANCER FOUNDATION

TEE OFF AGAINST CANCER

MONDAY, OCT. 5
9:00 START
JENNINGS MILL CC

Tee Off Against Cancer Memorial Golf Tournament was created through the vision and generosity of Bethany and Aragorn (Aro) Nanan, who were inspired to take action after witnessing the impact of cancer on those close to them.

After a successful inaugural tournament, they are continuing their efforts in 2026 to once again bring the community together for a powerful cause.

Held in memory of Dr. Walter “Gary” Huckaby (“Bee”), the tournament honors his love of golf while raising critical funds for The Cancer Foundation. Proceeds directly support local cancer patients through the Financial Assistance Program, helping ease the burden of everyday expenses during treatment.

PATIENT TESTIMONIALS

“I am very thankful for the help from The Cancer Foundation. I had to move to Athens from north Georgia when I was diagnosed with cancer. If I had not been given the gas card, my wife would not be able to be with me for my doctors visits."

J. MOCK
TESTICULAR/PROSTATE CANCER PATIENT

“The help from The Cancer Foundation made me feel a whole lot better. No one made me feel like I was begging. I am so thankful."

D. VAUGHN
BREAST CANCER PATIENT

“What a big relief! The help from The Cancer Foundation was by far the most practical assistance I have received. A really big help in many ways. I can't tell you what a difference it made."

B. GALANTE
TESTICULAR/PROSTATE CANCER PATIENT

“It was a shock to be diagnosed with cancer! I was not prepared for all the expenses involved with fighting this battle. Thank you so very much for the gas card and the help with the co-pays. I live on a very limited budget, and the doctors say to avoid stress, but before I received your help, I didn't know how not to stress! You relieved all of that!"

L. SUMMARELL
COLON/RECTAL CANCER PATIENT

“Before your help I didn't know how I'd pay for everything. I was having to decide what to pay and what I'd have to let go because I didn't have it. I was especially worried about my power bill. Thank you all so much!”

M. BANKS
BREAST CANCER PATIENT
