HONORING JACKIE BUEDEL & HIGHLIGHTING ACA SCHOLARSHIPS

Caroline Center is declaring July Scholarship Month in honor of our longtime friend and former colleague the late Jackie Buedel. Jackie was instrumental in creating and supporting our Academic & Career (ACA) more than 10 years ago. Because of her commitment, our ACA scholarships program now provides graduates with the financial support they need to continue their educational journey with advanced certifications and degrees to create upward mobility in their healthcare careers.

Jackie's dedication to the Caroline Center mission and the women we serve was shown through her work and her legacy lives on through the ACA program she established. **To donate to our ACA scholarships please click here!**

"Jackie was a superstar in so many ways! When I was a volunteer at Caroline Center she showed me so much compassion as a young professional and instilled advice to me that I still carry today. She was dedicated to supporting the women on their journeys here at Caroline Center and beyond." -*Jessica Robey, Marketing Manager (former AmeriCorps Volunteer)*

SCRUBS ON A MISSION WAS A SUCCESS!

The Caroline Center team would like to **Thank You** for supporting our annual *Scrubs on a Mission* last month! The event was a fun filled evening of good food, reconnecting with old and new friends, raffles, music, and spotlighting the important work of Caroline Center. Scrubs on a Mission's goal is to raise money to continue to provide tuition-free training to the women of Baltimore. As our alumnae speaker Katilyn Dyer shared "Being a Caroline Center woman means something. Without everyone here tonight, I wouldn't of had the chance to grow into the woman I now am and who I'm destined to be. Without the support everyone has generously given, this program wouldn't be able to continue providing all it does for the women who need it."

Because of YOU we were able to raise $90,664!! Thank you to everyone for your continous support and for helping the women of Baltimore!
