HADCO Business Park Phase II Floodplain Map.pdf

A map of the Green Bottom Wildlife Management Area in Ohio. The area is shaded in green and is located along the Ohio River, which flows from the top right towards the bottom center. The town of Crown City is situated on the river. A green pin marks a location on the river labeled '22/4'. The map shows various roads, including US-218, US-972, and US-954. The border between Ohio and West Virginia is indicated by a dashed line. The map is credited to Google, with data from 2017.
