Hello Educators! 🌟

Let's keep 2026 productive with a fun new challenge that helps families stay connected to classroom learning — the February Playlist Challenge!
From now through February 28th, the educator who consistently shares the most playlists with families through MarcoPolo For Educators will win a MarcoPolo Swag Bag! 🎁✨

💡 **How to Participate**
Follow these 5 Steps to Create a Share:

1. Log in using your educator account via MarcoPolo For Educators
2. Click "Create New Playlist", give it a title, and click Confirm
3. Add MarcoPolo videos by clicking the blue plus (+) button
4. Add a personalized video — your families love hearing from you!
5. Choose which student(s) to share with and click the blue arrow to send it to the student-facing app 🚀

✅ Tip: Encourage families to watch and explore the playlists together. It's a great way to extend learning beyond the classroom!

🏆 **How the Winner Will Be Chosen**
The winner will be the teacher who consistently shares the most playlists throughout February, showing strong, ongoing engagement with families all month long!
We'll be looking for educators who make sharing a regular part of their classroom routine to keep families learning, exploring, and connecting at home.

🌟 **Why Share Playlists?**
📚 Reinforces classroom learning at home
💬 Strengthens the home–school connection
📽️ Gives families a window into what their children are learning
💖 Sparks curiosity and conversation
Let's make February 2026 a month of sharing, connection, and fun — plus, a little friendly competition (and some awesome MarcoPolo swag)! 😉

Good luck, and happy sharing! 🏆
Warmly,
ELCPH
