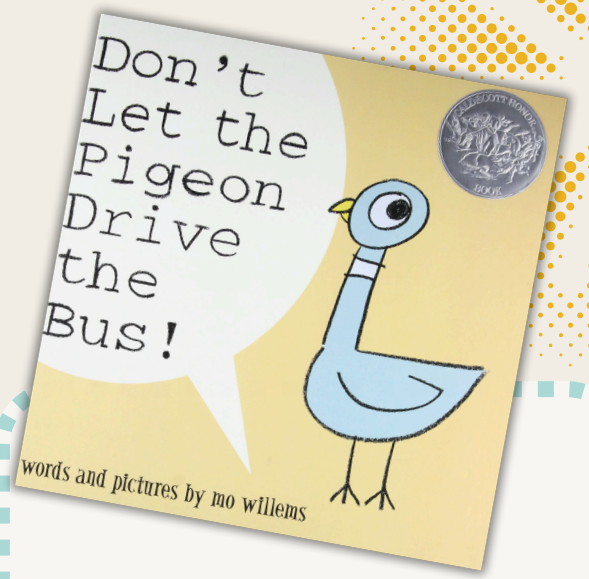
Mo Willems Author Study

Make-and-Take Workshop



Get ready to spark creativity with ELCPH's Mo Willems Author Study!

Join Dawn Espinoza as she shares engaging, hands-on ways to bring the beloved works of Mo Willems into your classroom. Participants will explore fun and creative strategies inspired by characters like The Pigeon and Elephant & Piggie to enhance literacy and inspire young learners.

Best of all, every craft is a make-and-take activity, so you'll leave with ready-to-use materials and ideas you can immediately implement in your classroom!
