WEDU PBS KIDS

New From WEDU PBS Kids! Exploring Weather

Learn how to bring weather-themed learning into your classroom with the all-new PBS KIDS® *Weather Hunters*!

Join the Hunter family as they explore and report on everything from rain, snow, dew, thunder, lightning, ice, and fog to more extreme weather, like hurricanes. Weather Hunters includes free educator resources to bring weather lessons and activities into your classroom. During this training, weather-related resources will be shared with ideas for integrating them into the science curriculum.
