

Volunteering with Kawartha Land Trust

Kawartha Land Trust (KLT) is conserving the natural environment and enhancing quality of life in the Kawarthas.

We do this by accepting donations of land and/or interests in land and engaging the community in support of this work to ensure that these lands are cared for, in perpetuity.

The supporters, volunteers and staff of KLT value a healthy environment and are working to protect important natural spaces in the Kawarthas.

KAWARTHA LAND TRUST
Protecting the land you love.

Our Mission

Caring for lands entrusted to us and helping others protect the land they love in the Kawarthas.

Our Vision

We envision a future where the Kawartha Region is characterized by natural spaces and corridors that support healthy and representative ecosystems and landscapes. This deeply-connected landscape is founded on a mix of privately and publicly protected lands, private land stewardship and a supportive policy framework.

Our Volunteer Philosophy of Involvement

We encourage teamwork among employees and volunteers so that we can offer our community an enhanced quality of life in the Kawarthas by conserving the natural environment together. Volunteers contribute their unique talents, skills, and knowledge to assist staff and educate the public about our organization, mission and vision.
