Dr. Eric de Nijs is an executive coach with over 30 years of experience helping people and organizations improve individual and organizational performance. His company, GRACE at Work Institute, includes working with CEOs, senior and middle managers, high potentials, and key individual contributors. Eric holds a doctorate in Human Resources Development and two Masters Degrees, 3 coaching certificates, and is credentialed as a Certified Professional Coach with the International Coach Federation. Eric has written a book titled, “Playing in a Bigger Space,” is co-author of “Authentic Communication” and is a contributing author of “Excellence in Leadership Coaching.” Dr. de Nijs is a part-time instructor and co-program director of Georgetown University’s Leadership Coaching program and an adjunct faculty member of the Center for Creative Leadership.

Dr. Bettina Fiery
Management Assistance Team

Bettina is a life-long resident of Martinsburg, WV. She started her career as an RN and worked in various roles in the healthcare industry. She has degrees in Communication, Counseling, and her doctorate in Educational Leadership. Dr. Fiery is a lifelong learner and most recently graduated from Georgetown University’s Leadership Coaching Certificate Program.

Mary Hughes
Management Assistance Team

Mary Hughes worked as a Training Specialist at FEMA for seven years and served as the Program Manager for the National Emergency Management Executive Academy. She has also taught at the University of Maryland and Institute of North American Studies in Barcelona, Spain. Mary is passionate about conservation and natural history.

Greg Moore
MAT National Faculty

Greg is a native Delawarean who recently retired after 40 years of work with the Delaware Division of Fish and Wildlife. Greg also worked with AFWA’s Management Assistance Team as Professional Development Programs Manager, and is a graduate of National Conservation Leadership Institute Cohort 6, and former Peer Coach for that program.

Marc Scow
MAT National Faculty

Marc is a fourth generation Montanan and a retiree of Montana Fish, Wildlife & Parks. He has been doing training, facilitation, mediation and motivational speaking for over 30 years now, and bringing heart and humor to his work has been key to his success. Marc likes to spend time outdoors enjoying the incredible resources of his home state.
