What Will be Covered at the Training Session

- **PA UCC Residential Code Update**: Part 1

  In accordance with the requirements of Act 45 of 1999 as amended, the Pennsylvania Uniform Construction Code (UCC) Review and Advisory Council (RAC) completed the review of the 2021 I-Codes on June 13, 2024. The code provisions that were adopted during this process are anticipated to take effect on or after July 13, 2025. This session will review implications of transitioning to 2021 ICC base codes, discuss PA legislative and RAC amendments, and dive into some highlights of the new code provisions for residential construction.

- **PA UCC Residential Code Update: Part 2**

  Building upon the previous section of the 2021 PA UCC Residential Code: Update 1, this session will dive deeper into implications of transitioning to the portions of the 2021 ICC base codes that were approved for adoption. It will dive into some highlights of the new code provisions affecting residential construction.
