UWTC's United Tompkins Impact Fund is how we meet needs for food security, health & wellness including mental health, child & youth success, and supporting safe & affording housing.
For an example of the agencies and programs this fund supports, please visit
https://uwtc.org/united-tompkins-impact-fund/

$100

· Give 5 students access to academic support services
· Get an individual an eye exam and their required glasses
· Provide a mental health support group activity
· Purchase a week of groceries for an individual
· Pay for 10 meals to be delivered and conduct a wellbeing check for an elderly or disabled person

$500

· Help make free insulin injections available to people with diabetes who lack insurance
· Pay for a person struggling with their mental health to have 5 sessions with a counselor
· Feed all the children at a local day care center a morning snack, lunch, and an afternoon snack for a month
· Provide groceries to a family of 4-5 for a week or for an individual for a month

$700 and above:

Become a LEADERSHIP donor, recognized in our annual report and on our website (if desired), receive special communications on UWTC's work, and know you are making a significant difference in people's lives!

$1,000

· Pay a month's rent for a person with a mental health disorder and/or a disability in a supportive housing program
· Provide a scholarship for a family at a certified child care center
· Support a program providing mental health outreach services to youth in a rural community
· Pay for 100 seniors and/or disabled individuals to have a hot meal prepared and delivered to their homes

$5,000

· Fund a program that enables seniors to socialize, work on their mental and physical health, and have a better overall quality of life
· Fund child care certified summer camps so children have access to learning, fun, and quality care while their parents can continue to work
· Fund a rural food pantry in a food desert area in our community
· Fund a program that insures ALICE/low income community members have access to transportation so they can go to school, to work, to their medical appointments, and so much more

$10,000

· Ensure vulnerable people in crisis have access to services and supports when they are most at need, such as when they are experiencing domestic violence or contemplating suicide
· Fund programs that support young people by providing much needed academic support, life skills training, career exploration, and socialization and enrichment opportunities
· Fund programs that house the most vulnerable members of our community and ensure our residents do not go without shelter
