Enroll at **RaiseRight.com/Enroll** or in the RaiseRight app

Earn past $350 and it comes back to you

The first $350 your family earns clears the assessment. After that, 50% of everything the school earns from you counts toward a tuition credit — up to one month's tuition per family.

- **Register your cards at eScrip.com** — add the grocery loyalty, credit and debit cards you already carry; participating merchants then donate automatically.
- **Ask your employer about corporate matching** — many companies match your donation dollar for dollar or offer pre-tax giving. One email to HR can double it.
