

LENT SMALL GROUPS FORMING NOW!

Companions on the Journey is a small group format program. As Christians, we are part of a community of believers who need others to support us along the way. Several families have graciously agreed to host a small group in their home once a week for the six weeks of Lent. **We invite you to join a small group.** Make a commitment to set aside just 90 minutes each week to grow in faith and in relationship with your small group, our parish family.

Small groups are being formed based on the information you provide. This means you can request a group based on shared experiences/lifestyle. You can also create your own group or choose a group based on your availability or time preferences.

It is our hope that all of our parish family, the many different generations and the rich diversity of our parish, will come together to participate. We hope you will use this Lent to assess your relationship with God, to realign your priorities, to make more room for God, and to go forth to do good works from your experience!

Please give prayerful consideration to participating, or perhaps even leading or hosting a small group in your home. To learn more, please contact Maryellen Harrington at 773-429-9614
