Accommodations: We are staying in cabins that hold 12 People! We will be sharing cabins with other churches.

Volunteers: I am currently checking with current youth volunteers and then if we do not have enough I will reach out to parents. A 1:5 ratio will be maintained for each gender. All volunteers will be background checked.

Volunteer Expectations: Stay in the cabins, participate in leader meetings, and be actively engaging in the retreat.

Phones: Whether or not your student brings their phone is for you to decide in your family what is best. Phones will be allowed to come. However, I will be encouraging them to be present with those around them. If phones become a distraction, they will be told phones need to stay in the cabins. Phones will not be allowed during the worship session, teaching and small group.

Medicine:. A medical form for the camp will need to be filled out before going.(Forms from the camp will be given to me after I register our Spots.) Parents will be given the option if they want the medicine to stay with the youth or if you would like me to hold on to it.

Some special activities Include: Ziplining, Archery and glow in the dark Dodgeball!
