Welcome back Gentlemen:

Each season brings new opportunities to reconnect with familiar faces, welcome new members and enjoy everything that makes our club such a great place to play. With another exciting golf season just around the corner, it's time to declutter that golf bag, dust off those clubs and maybe even catch that grip sale if you're lucky. Someone once told me that you can easily shave off a few strokes just by regripping your clubs...I guess we will see 🙏.

Our weekend tournaments are one of the best parts of the season. They're a great opportunity to enjoy some friendly competition, meet fellow members, and play in some fun golf tournament formats. Of course, there's also the chance to take home hole prizes or even better, see your name etched onto one of our club trophies.

I'm happy to share that **Gavin Morton** will be returning as Tournament Assistant again this year. He did a wonderful job helping last season and we're lucky to have him back to ensure things run smoothly.

On top of that, I'm excited to announce that this year's away tournament will take us to **Wolf Creek Golf Resort** on **Saturday June 20, 2026**. A hidden gem in central Alberta, it was designed by Rod Whitman and quickly became a Canadian Tour staple, hosting the Alberta Open for 13 years. Mark your calendars and bring your best game as we look forward to seeing you out there.

See you on the fairways and let's make this another unforgettable season!
