

Welcome to the start of the 2026 golf season!

As the fairways green up and the start of a new season gets closer, I am excited to welcome all of you back to our weekly Wednesday rounds. Whether you're here to chase a personal best, enjoy a relaxed round with friends, or simply spend more time on the course, we hope this season brings great golf, great company, and plenty of memorable moments.

P.S. On a more serious note, I kindly ask that we stay mindful of the Pace of Play – 4hrs, 15 minutes max. Thank you for doing your part to keep the game enjoyable for everyone.

Here's to a fantastic season ahead—see you on the first tee!

Warm regards,

Abraham.
