Hello to All Men’s Club Members,

Something about myself: I immigrated from Uganda and came to Canada for University in 2011. Went to the U of A and after graduating in 2017 I have been living and working in Canada since. I go back to Uganda every Christmas to see my parents.

Golf: I started golfing in 2020, joined the Victoria Men’s Golf Club in 2021. I love the game of golf and was able to bring my handicap down to an 8 in 3 years through sheer hard work, commitment and of course some help through lessons. No one does it alone I have learned.

I am glad to be part of VMGC.

Warm regards,

Abraham.

PS. I am the new sheriff in town! (A joke, not great at these)
