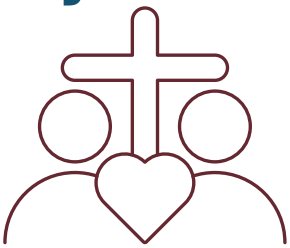
Ways to Give Back!



7 Ways to Volunteer at Worship

1. **Communion Serving** ~ Share the body and blood of Christ through bread and wine. A sacred way to serve every other month.

2. **Tech Support** ~ Serve behind the scenes once a month to help share God's message with the world and reach those unable to attend in person.

3. **Assisting Minister** ~ Lead parts of the liturgy and support the presiding pastor in worship. A meaningful role, typically once a month.

4. **Scripture Reader** ~ Share God's Word by reading the weekly Bible passages during worship once every 6 weeks.

5. **Ushering** ~ Open to all! Welcome worshipers, help them feel at home, and assist during communion. Serve once a month.

6. **Communion Setup & Cleanup** ~ Prepare and care for the sacred elements of communion. Setup is by 8:30am and cleanup is after 10:15am. Serve once a month.

7. **Communion Bread** ~ Baking bread helps make worship special by baking loaves at home about every other month and bringing them in before Sunday.
