Directions to the Spokane Regional Waste to Energy/Recycling Facility
S. 2900 Geiger Blvd., Spokane WA 99224

For more information call the City of Spokane Solid Waste Disposal Department 509-625-6580.

From the East via I-90: Take Exit #276 bearing right at the first roundabout. Take the first right in the next roundabout to **Geiger Blvd.** After passing the WM SMaRT Center (on your left) take the next left. Turn left again and pass the entrance to the Recycling area. Turn right into the administration bldg. parking lot. This is where your tour will begin.

From the Airport: Take Airport Drive to Spotted Road, turn right. Go to the stop at Flight Line Blvd. and turn left. Continue to Geiger Blvd. and take the third exit in the roundabout onto Geiger Blvd. Turn left off Geiger Blvd. into the Waste to Energy facility.

From the West via I-90: Take exit #276. Take the third exit in the roundabout to cross back over I-90. Proceed through next roundabout to Geiger Blvd., then take the first exit in that roundabout and continue as above.

From the West via Hwy 2: Turn right onto Spotted Road and continue as from the Airport above.

From Sunset Highway: Traveling west, take slight left to Geiger Blvd. at top of hill. Turn right into facility.
