Building family-friendly biking and walking trails in Eastern Vilas County.

Since its founding in 2010, Great Headwaters Trails Foundation (GHTF) has been working to develop and support a system of family-friendly biking and walking trails connecting the communities of eastern Vilas County.

As an all-volunteer organization, we rely on the dedication of our volunteers and the generous support of individuals, businesses, and organizations to move our mission forward. Together, we have made significant progress in developing and advocating for safe, accessible biking and walking opportunities throughout our communities.

Please consider making a donation today to help us continue building trails and connecting communities!
